COOKERY/LIFESTYLE

## COOKERY/LIFESTYLE

### Return to Tuscany 20 x 30'

London restaurateurs Giancarlo & Katie Caldesi are about to try their hand at opening a cookery school in Tuscany. It may be a lifelong dream but the competition is huge, and as the series unfolds, pretty much everything is against them. Giancarlo is a passionate, flamboyant and proud Tuscany native, who's returning to rediscover his childhood. Katie is his English rose, and together they are a refreshingly open, honest and talented couple. Return to Tuscany is a feast of Italian food, landscapes and personalities, and a humorous story of a long, hot, chaotic summer.

### The Urban Chef 10 x 30'

Talented young chef Oliver Rowe has set himself a challenge; to run a restaurant in the heart of London, having sourced all his ingredients within access of the London Underground. This series follows Oliver on his mad dash around the city, searching for local produce to serve in his new £300,000 restaurant in Kings Cross. Visiting everywhere from East End allotments for broad beans, to beehives on city roof tops for honey, Ollie juggles finding good suppliers, attracting satisfied guests and keeping his long suffering girlfriend, Julie, happy.

### Blown Apart 4 x 60' In Production (due 2010)

This dramatic BBC series takes a look at a deeply divided community torn apart over plans to build a windfarm on their tranquil, ancient landscape. With increasing international debate over climate change this series, filmed over four turbulent years, goes to the heart of the question of renewable energy. It explores in candid detail the conflicting attitudes that surround the subject and the tough decisions that affect global green energy.

HISTORY

## HISTORY

### Charlotte: A Royal at War 1 x 98'

Presenting the story of the royal propagandist in pearls who inspired a nation through the power of radio, reaching her people in their darkest hour. This is the true account of Grand Duchess Charlotte of Luxembourg and her government's pursuit of freedom for their country, against the brutal occupation by Hitler's Third Reich. This feature length documentary combines vivid eyewitness testimony with dramatic reconstructions and unique colour archive.

## LIFESTYLE

### Celebrity RSVP 13 x 26'

This series offers a behind-the-scenes look at what it takes to produce some of the hottest celebrity parties in Hollywood and around the world. It takes the viewer on a rollercoaster ride to the hottest ticket in town, from a glamorous movie premiere, to a star-studded Oscars after party. Each episode follows a world-renowned events planner and their team as they face unexpected crises and last minute revisions. Celebrity RSVP offers a fly-on-the-wall look at what it takes to produce the most illustrious events in the social calendar.

LIFESTYLE

### A Garden for Eden 7 x 30'

Eight amateur designers compete for the chance to create an exotic eco-garden in the heart of the Eden Project, in Cornwall. Each episode sees the experts judge the contestants on a range of innovative projects that will determine who will make the trip to Eden. Presented by Melinda Messenger, this award-winning series is full of fresh design ideas to inspire and entertain.

LIFESTYLE

### Take This House & Sell It! 74 x 26'

A DIY series for anyone who wants the latest tips and trends on getting their home ready for an immediate and lucrative sale. In a fast-paced half-hour romp, a cast of designers and crew meet homeowners who haven't managed to sell their home, sweet home, and give simple tips and advice that all viewers can benefit from. All of the makeovers are done on a modest budget and prove high end results can be achieved from creativity and good old fashioned hard work.

SPORT

SPORT

## SPORT

### **BMX: The Road to Beijing** 1 x 52'

The sport of BMX racing was born on a balmy Californian evening in the late sixties, as a group of kids rode their 20-inch Schwinn Stingray bicycles in Los Angeles. 39 years later it made its Olympic debut in Beijing. From its roots in the dirt of an LA park over forty years ago, to global competition and gold medals in 2008, this is the story of BMX Supercross.

### **Marlon Lipke: My Story** 1 x 26'

This film follows the German surfer Marlon Lipke, a new qualifier on the Surfing Championships Tour (ASP WCT). Shot in glamorous beach locations all over the world including Hossegor in France, Estoril in Portugal and finally the North Shore in Hawaii, this film showcases his prominent surfing skills and intriguing lifestyle away from the waves.

### **Snowboard Diaries** 5 x 24'

An exhilarating series documenting the highs and lows of some of the best riders on the professional snowboarding circuit. Shot in stunning locations all over the world, each episode follows a different group of snowboarders as they attempt some of the biggest jumps of their careers. The series captures the spirit and passion of snowboarding, as one of the most dramatic and spectacular of all extreme sports.
